|                       | Is this reque                        | est Urgent? □Ye       | s □No                       |             |  |

'Urgent' is defined as: when the member or their provider believes that waiting for a decision under the standard time frame

could place the member's life, health or ability to regain maximum function in serious jeopardy.
